Become a Marine Biologist for the Day

Ocean Rafting's Reef Seeker is an immersive educational experience designed to inspire the next generation of ocean ambassadors.

Led by our experienced Eco Hosts and Master Reef Guides, students discover the incredible biodiversity of the Great Barrier Reef while contributing to real-world citizen science through the Great Barrier Reef Marine Park Authority's Eye on the Reef program.

WHAT YOU'LL EXPERIENCE:

- ✓ An exhilarating ride to the white silica sands at both ends of world-famous Whitehaven Beach
- ✓ More beach time, with two hours relaxing and enjoying lunch at South Whitehaven
- ✓ One snorkelling destination
- ✓ Hill Inlet Lookout guided bush-walk
- ✓ Use of snorkel equipment and flotation devices
- ✓ Reef and island naturalist talks
- ✓ Courtesy bus transfers
- ✓ Cake and fruit platter
- ✓ Whale watching from June to October
